Letter from the President

WAR EAGLE!

Be ready to use this phrase often while in Auburn. It is our greeting to each other and identifies you as part of the Auburn Family.

We are very excited about hosting everyone here in Auburn in a couple of weeks. I want to first and foremost give a huge THANK YOU to the team here in Auburn. Kristen Bowman, Jess Ramspeck, Valerie Rankin, Katelyn Turner, Cheri Cannon and Katie Talley!! They have been the work force to putting this together. If you see them during the conference say thank you!!

I hope that when you get here or before, you think about making a gift to one of our three endowment funds: NAADA Legacy Fund helps to support our education programs. Jane Longley-Cook Awards Endowment help us offset the cost to some deserving volunteers that might attend the conference. And the Ruby C McSwain Enhancement Endowment which allows us to be able to enhance our Awards programs. <https://www.naada.org/donations/>

I can't wait to welcome you to the "Auburn Family"!! It is going to be another great conference!!

Please feel free to reach out to me anytime with anything. This is your NAADA and we are here to make it better than when we got it. jmoseley@auburn.edu

Have a great week!

Jordan Moseley, Auburn University
President, NAADA

2024 Aurea Awards - The Gold Standard

Sharing the name of Auburn University's golden eagle, "aurea" is Latin for "golden." The 2024 NAADA Conference Aurea Awards seek to recognize your colleagues and

teams who are the gold standard at your institution. Who soars above the rest? Who is a difference maker who paves the way for the next generations of professionals and volunteers dedicated to expanding resources for advancing agriculture and related disciplines through land-grant and other colleges of agricultural sciences and partner programs?

- Nominate your programs, projects, events, activities, or colleagues that are the "gold standard"
- Submissions must relate to the past calendar year to qualify
- Submit a paragraph describing why this program/event/project/colleague deserves to be recognized as a NAADA Aurea Award Winner. No more than 200 words
- Multiple nominations are encouraged!

Don't wait! **Deadline to submit is May 31, 2024. Send your nominations to kmo0005@auburn.edu**

Order your 2024 Annual Conference T-Shirt!
