

Melissa,

We are excited to welcome you to the College of Agricultural Sciences and Natural Resources! We look forward to seeing what the future holds for you as an Agricultural Business (AGBU) major within the OSU Department of Agricultural Economics.

We are here to assist you and look forward to working with you over the next four years. If we can help you in any way please let us know.

Again, congratulations on enrolling in your first semester of classes here at OSU - we'll see you soon!

Your One-Stop-Shop

The Student Success Center, aka the Fish Bowl, will be a great resource for you during your time at OSU. You can find a welcoming place to study alongside your peers and utilize resources to help you be successful academically,

professionally and personally. The Student Success Center offers computers, a pilot station for the writing center, academic support and career guidance. In addition to concrete resources, the Student Success

Freshmen Seminar (AG 1011)

One of classes you signed up for during NSO was freshmen seminar. The freshmen seminar course for students in CASNR is called AG 1011. Every freshman that comes to OSU is required to take a freshman seminar course. Our freshmen seminar is a unique and original class that meets twice per week for the first eight weeks of school. You will be divided into a small group of approximately ten people led by an upper-class AG 1011 Student Academic Mentor (SAM). Your SAM will serve as a mentor for you and the others in your group. They can assist you with your transition to OSU and CASNR and are a great resource for questions and guidance from a student's perspective. AG 1011 is another way CASNR goes the extra mile to make our college feel like home.
